## Caerwent Playing Fields Association February 2019

After a quiet January for the Caerwent village hall committee we have decided to put on a kids Valentine disco this month!

There won't be any tickets but will be a small charge of £1 per child (adults free) on the door to help cover the cost of the disco.

We will be hold this on Friday 15th February 6pm-8pm for the disco however the bar will remain open until 10pm. Everyone is more than welcome!

We will also be holding a fundraiser with Caerwent junior football club in March further details on next months newsletter.

Caerwent Village Hall

### Valentine's Kids Disco

**Friday 15<sup>th</sup> February**

6pm – 8pm

£1 per child on the door (adults FREE)

Disco – Games – Bar open till 10pm!

★★ This years show date has been confirmed, so date for the diary

**Saturday 17th August**

**2019!!! ★★**

The committee is always looking for helpers for these events so if you are interested in getting involved please get in touch! We are always looking for new ideas and you can give as little as a few hours a month. We wouldn't be able to run the events without helpers.

**NEWSLETTER SUBSCRIPTIONS ARE NOW DUE PLEASE SEE OVER**

**Copy deadlines for March 2019 Newsletter submissions is Friday 15th February 2019.**

Caerwent Newsletter does not officially endorse any advertising material included in this publication. Opinions expressed by contributors or advertisers are not necessarily those of the editor and / or the publisher.

Magazine published by Caerwent Playing Fields Association Ltd and subsidised by Caerwent Community Council

## **WHAT'S ON AT CAERWENT VILLAGE HALL**

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Morning	Candy Zumba 10am—11am			Fitmuma 10am-11am	Candy Zumba 10am-11am		Junior Football Club
Afternoon	Taekwondo 5pm— 5.45pm		Lines Fitness Class 5:45 - 6:45		Parish Coffee Morning 11am-1pm <b>8th Feb &amp; 22 Feb</b>

Submissions for the newsletter should be sent to the following e-mail address by 17th of each month.

[Newsletter@caerwentplayingfields.com](mailto:Newsletter@caerwentplayingfields.com)

There are 11 editions per year (No publication in August)

Yearly advertising will go in all 11 editions,

Six monthly advertising will go in 6 editions

Articles for the newsletter can include photographs or art work but the original files need to be provided to ensure correct reprographics.

The Caerwent Playing Fields Association cannot be held responsible for the accuracy or content of articles provided by external organisations. Organisations submitting photographs with their articles must ensure the permission of individuals within those photographs has been agreed for publication.

Articles in this newsletter should not be reproduced without the express consent of the copyright holder.

### **Advertising costs**

**Full page advert or poster £50 per issue.**

**Half page £25 per issue. Yearly fee £250 or £140 for six months**

**Quarter Page £15 per issue. Yearly fee £150 or £80 for six months**

# Caerwent Community Council

## Chairman's Report January 2019

We were informed at our January meeting that Councillor Glyn Cousins had resigned from the council due to personal reasons. Glyn had served as the councillor for the Dinham ward for 6 years and had always engaged openly in all council business. We would like to thank Glyn for his service to the community during this time and wish him and his family well for the future. The council have informed MCC and the formal process of finding a replacement councillor has begun with the issue of The Notice of Vacancy on 14<sup>th</sup> January 2019. The notice explains that if 10 or more electors from the Dinham ward request an election to be held before 1<sup>st</sup> February 2019, then an election will be held otherwise the Community Council can consider co-option of any interested parties. We will update you next month on the progress.

Further to the request last month on the public views regarding the railings at the cenotaph, an overwhelming response were in favour of retaining the railing as they are. It was also agreed to retain the colour of the railing as black. Thank you to all those residents who took the time to put their views forward. We are hoping work will start on the renovations of the memorial later in the spring.

The Caerwent Community Centre now have a defibrillator installed at the building. The Community Council were happy to support this by funding the cabinet for the defibrillator which is installed on the exterior of the Community Centre entrance. Training on the use of the defibrillator will be advertised shortly and all members of the community interested in attending this training should contact the Community Centre directly.

We have been reliably informed that work is to start shortly on Caerwent House in the centre of the village. Work is likely to commence with the installation of new coverings on the roof, after this, work will continue to securing the structure of the building inside and out. Hopefully we will be able to see some significant progress in the coming months.

We have had a good response to the information in last month's report regarding the Local Litter Picking Group which is being overseen by Councillor Harris. We have been in contact with Keep Wales Tidy who have provided some invaluable advice as well as local residents who currently undertake this function on a voluntary basis at the moment. Councillor Harris will liaise with all parties to try and get the group up and running with all the right equipment and correct procedures. If you are interested in getting involved please contact Councillor Harris directly [b.s@caerwentcc.com](mailto:b.s@caerwentcc.com).

### M4762 PLANNING

#### 2018/01973 7 Vernon Grove, Caerwent

Second storey extension over existing detached garage and connecting back to the main house

**This Council recommends Approval with observations:**

Query if roof line is higher

Aesthetically unpleasing dormer window

#### 2018/02016 Hill View, Five Lanes, Llanfair Discoed

Two storey side and rear extensions

**This Council recommends Approval with observations:**

Query if MCC policy allows for balconies on stilts

Address incorrect on planning application

# Shirenewton Primary News

"Learning Together, Achieving for Life"

"Dysgu Gyda'n Gilydd, Cyflawni am Oes"

February 2019

## CHESS COMPETITION

Congratulations to our Chess Team who recently came third in the inter Schools Chess Tournament in Cardiff City Stadium. The concentration needed was intense at this high profile event but not one of the Shirenewton team faltered. Huge well done to Frankie, Ben, Dylan H, Aemilia, George S, Peter, William D, Antony and Gordon.

## BAE SYSTEMS

BAE Systems provided an informative and thrilling interactive presentation to pupils in upper KS2 classes about maths all around us. The pupils learned how maths, science and engineering can lead to exciting careers for girls as well as boys. They used mental maths to calculate how to balance HMS Elizabeth (the Navy's newest aircraft carrier) deciding where to place all the fighter jets and helicopters on deck and they used maths to help demonstrate a card trick. Some brave volunteers experienced the force exerted by a turbine engine. It was hair-raising, thought provoking and very inspiring for all!

## NEW SONG FOR CHRISTMAS

Year 6 pupils enjoyed working with Upbeat Music, writing their own lyrics, composing their own music and recording a CD of a new Christmas song. Bendigedig blant!

## CHRISTMAS FESTIVITIES

We had an action packed few weeks before Christmas with performances of 'Bethlehem The Musical' by Junior classes and 'The Little Red Robin' by Foundation Phase classes. We also held several events in local village churches including a KS2 Carol Concert and a FP Christingle service in Shirenewton Church and Y2 performed their narration and songs in Itton Church.

The children also enjoyed a series of Christmas art and craft mornings, Christmas dinner, a whole school trip to see the Dick Whittington pantomime at The Savoy Theatre in Monmouth and even a visit from the big red man himself to the Foundation Phase classes!

It was a very profitable time too with classes raising £780 from the sale of photographs, programmes and raffle tickets at the concerts and the PTA raising a record amount of over £2000 at our Christmas Fayre.

## CHRISTMAS FESTIVITIES

Foundation Phases classes have had two recent 'Delve & Discover' days to introduce and inspire their topic learning ... a 'Winter Wonderland' one before Christmas and a 'Space & rocket' one last week ...

## WE WERE ON THE TELLY!

**145 players and parents attended the FA 3<sup>rd</sup> match and watched Newport record a famous victory!**

On January 6<sup>th</sup> we were incredibly fortunate to be able to take 78 of our players to the Newport County game to participate in a Guard of Honour as the players took the pitch, and then entertain the crowd with some 5-a-side games at half-time.

Our players and parents had a great time as they got to hold a Q+A session with first team player Dan Butler (suspended for the game) beforehand and u8 player Tomos Davis even got to read the team news out live on Newport City radio as it was revealed!

Away from the game, our players and coaches have been busy as usual with games and training every week and our focus is starting to turn towards our end of season presentation and tournament already!

## RACE NIGHT v2

We have confirmed Sat March 30<sup>th</sup> for our Race Night

Following the success of last year's race night we have agreed with the CPFA to run a repeat. We have planned to hold this on Saturday March 30<sup>th</sup> – see next month's newsletter and Facebook for more info in due course.

### Key dates

Mar 30 – Race Night v2

June 15/16 – Caerwent Tournament

## **Christmas Day 2018 at Caerwent Village Hall.**

For the fourth year running we have provided a Christmas meal in the village hall for those who, for whatever reason, are either on their own or who would just like to come and celebrate Christmas Day with others. The numbers have increased year on year and this year our guests numbered 43, together with 12 volunteers. There was no charge for the meal as we have been fortunate to receive donations from Caerwent Community Council, Waitrose, Mead Farm in Redwick and various other private donors. Clarkes the Butchers in Caldicot made a substantial reduction on our turkey crowns. We thank them all for their generosity.

This year Sally, our Curate in Charge, led a Carol Service in the hall at 11am which almost all of our guests attended, and this set the atmosphere for a very special day. Santa came along after the meal and gave every one a goody bag.

A special thanks to those who volunteered for the event, either on Christmas Eve to prepare or on Christmas day itself, or both. We also had volunteers who just provided transport for the event. They were all fantastic and came with friendship, Christmas spirit and joy to ensure a great time was had by all.

**THIS IS CHRISTMAS!!**

both at 11.00 till 1.00 p.m. Contact Kay (07832 642212) or Patsy (07985926040)

Celebrate St. David's Day on March 1<sup>st</sup> with a two course themed meal  
at The Woodlands Tavern, Llanfair Discoed.

Tickets are £17.50 and are available from Suzanne Miller [su@rubusassociates.co.uk](mailto:su@rubusassociates.co.uk) or on 07887530566. There will be a Welsh themed raffle and fun quiz to test your Welsh knowledge!

Dear Friends,

Love is in the air as we enter the month which includes St. Valentine's Day. A quick search on google will tell you that there is almost nothing reliably known about the saint universally linked to love, except that he was martyred and buried near Rome on 14<sup>th</sup> February. Hence the date of the festival. And whilst it wasn't my intention to spend time writing to you about the vagaries of St. Valentine, I can't help but suggest you have a look online at some of the relics attributed to him. There's an extraordinary flower-crowned skull in an elaborate glass casket, that is reputedly his. Not something to put on the side-board perhaps!

So if St. Valentine, whilst real, is steeped in hearsay and confusion about the details of his life, what about love? Love is something about which we can be far more certain. Whilst it might be difficult to define, it is most definitely something we know we feel, or not, towards the people around us, and it is something that has a huge influence on the way we live, interact, and make decisions. Love is very often the root cause of our moments of elation and deep despair, and although the saying is "money makes the world go around" I would dispute that;

for I believe it is love that is responsible. Whilst human love can be fickle and sometimes tricky, as Christians we can be confident that the love we receive from God is without fluctuation or any of the angst of human love. God tells us that he loves us unconditionally, and that we are his beloved children, with whom he is well pleased.

So no matter what is happening around you, be confident that you are deeply and perfectly loved for yourself by a God who knows you and wants the best for you. As the New Testament writer John says "perfect love drives out fear" (1John 4:18). How comforting that is to hear and know. Far more comforting than a flower crown on a skull, or contradictory stories about an ancient saint. Let us all try to love each other a little better, as God loves us, and perhaps we can together make our communities shine brightly as beacons of love and hope.

With my love and prayers,

Sally Ingle-Gillis. Curate in Charge.

P.S. My husband wants that skull for his office!

### Services to the community.

#### 1. Bridges Community Car Scheme – Supporting people to get out and about in Monmouthshire.

This is a car scheme that offers friendly, flexible door to door transport for people who require additional support getting to local shops, social activities or appointments. It's more than just a taxi service and the drivers are there to offer support and companionship to their passengers- just like getting a lift from a friend! They charge 45p per mile. You need to register with them by contacting the Manager, Faye Mear on 07741 572922.

#### 2. Home Delivery from Monmouthshire Libraries. – Are you housebound? Do you find it difficult to visit your local library because of mobility issues, ill-health or frailty? This service delivers books to customers in their own homes and is free and available to anyone living in Monmouthshire. The books come in all formats, (ordinary print, large print and audio). They deliver every 4 weeks and is completely free! For more information contact Chepstow HUB on 01291 635730 or email [Chepstowhub@Monmouthshire.gov.uk](mailto:Chepstowhub@Monmouthshire.gov.uk)

## CAERWENT POETRY GROUP

As Valentine's Day falls in February I thought I'd pick a love poem.

Here's [John Cooper Clarke's](#) - I Wanna Be Yours...

I wanna be your vacuum cleaner, Breathing in your dust

I wanna be your Ford Cortina, I will never rust

If you like your coffee hot, Let me be your coffee pot

You call the shots, I wanna be yours

I wanna be your raincoat, For those frequent rainy days

I wanna be your dreamboat, When you want to sail away

Let me be your teddy bear, Take me with you anywhere

I don't care, I wanna be yours

I wanna be your electric meter, I will not run out

I wanna be the electric heater, You'll get cold without

I wanna be your setting lotion, Hold your hair in deep devotion

Deep as the deep Atlantic ocean, That's how deep is my devotion

As an aside... for anyone who enjoys 's Poetry - a bit of advance notice.  
He's coming to the Savoy Theatre, Monmouth [on Sunday 17th April.](#)

## February Facts

**February** is the second and shortest month of the year

(knew that). 28 days in the common year (365 days) and 29 days in the quadrennial leap year (366 days). Where did this all originate? We have our ancient village founders (The Romans) to thank for this complexity of time calculation, and what we have now is “very simple” compared with what they (Romulus and Numa Pompilius 753 bc respectively) were up to in ancient Rome. Other months like January were often named after Roman gods (Janus for January) and you would think that February was named after Februus, but alas no, February comes from the Roman festival of purification called Februa (of course), during which people were ritually washed. If we move forward in time a little bit more, the name for February in Ye

**Olde Englishe** was “Solomonath” meaning “Mud Month” (nice). So in February it would seem that you have a choice, either to be purified or wallow in the mud (I’m thinking) whilst contemplating the passing of the winter months. Right up to date now: a fairly recent tradition in the USA (where else); no it’s a very good one, is “American Heart Month” which is when there is an emphasis placed upon looking after your heart. To quote what I recently read: “The good news? Heart disease can often be prevented when people make healthy choices and manage their health condition”.

February as I see it would seem to present us (past and present) with an opportunity to be clean or not, stay healthy or not, within the finite amount of time the calendar is giving us. All these choices are limited, as they only relate to the

“physical and the temporal”.

**God’s word** (The Bible) which is spiritual and eternal, gives us a more important, much better and higher outlook. The book of Isaiah (Ch 64 v 6) states that our righteousness (i.e. the very best that we can ever possibly be) compared to God’s perfect holiness are as “muddy or filthy rags”. 1 Peter 1 v 24 compares our very short lives with flowers that grow amongst the grass. Our glory (all we can attain to) eventually falls and the grass withers away, but the Word of the Lord remains forever. The word “Gospel” literally means “Good News”. The good news is given to us; see what the book of Corinthians has to say (1 Corinthians 15 v 3). Paul the apostle was talking to the people of Corinth (ancient Greece) and explained to them (and also to us) that Jesus died for our sins, He was buried, He was raised on the third day. In his second letter to the same people (2 Corinthians 6 v 2) he said “Now is the accepted time, Now is the day of salvation”. This February consider what Jesus has done for you, consider this Good News: our spiritual hearts can be made whole, we can be made clean, and we can live forever with Jesus, if we put our trust in Him.

February as I see it would seem to present us (past and present) with an opportunity to be clean or not, stay healthy or not, within the finite amount of time the calendar is giving us. All these choices are limited, as they only relate to the “physical and the temporal”.

Andrew Meates (Deacon)

### LADIES COFFEE MORNING

**10.30 at The Chapel**

*1st Thursday of the month*

**7<sup>th</sup> February**

**7<sup>th</sup> March**

***It would be great to see you.  
A warm welcome awaits***

**Sew, it's Thursday**

Do you enjoy sewing, quilting, knitting, cross stitch, shuttle tatting? Would you love to learn?

Come along to ‘Sew, It’s Thursday’, bring your handwork or learn a new skill

we meet every 3rd Thursday of the month - 21st February 2019

10.30am – 12.00pm

at Caerwent Baptist, School Lane

Bring a friend and make new ones over a cuppa and a chat – everyone welcome!

**FREE!**

## Caerwent Historic Trust open Day

The Trust will be holding an Open Day on **Saturday 4th May from 10.00am – 1.00pm**

We are very lucky to have two speakers at the event:

Dr Mark Lewis, Senior Curator: Roman Archaeology at the National Roman Legion Museum, Caerleon will give a talk on local history; and

Mr Peter Bonvoisin will speak on "House histories: Court House, Llanvair Discoed"

We will be answering enquiries on local history, displaying the layout of the church graveyard plots and assisting with family history. We will also be displaying local maps of the area including tithe maps showing the ownership of local land back to 1841.

Please look out for further details in the next Newsletter.

## The Living Levels Partnership

Two very exciting heritage projects that readers may be interested in getting involved with is the Gwent Levels Living Levels partnership Historical Research and Transcription Service – or 'Sewer's RATS' and our 'Life on the Levels' oral history projects.

Historical Research Group – Gwent Levels 'Sewers RATS (Research and Transcription Service)

The Living Levels Partnership is looking for volunteers to explore the story of the Gwent Levels through the records of the Monmouthshire Court of Sewers as part of the 'Recapturing the Historic Landscape' project. The records reveal the impact of tidal and fluvial flooding, the continuity of land tenure, settlement patterns, local government in action, and much, much more. Perhaps when you saw the word 'sewers' you thought of rats! Sewers in this instance are watercourses, either natural or manmade, and commissioners of sewers throughout England and Wales held jurisdiction over drainage and sea defence in low-lying coastal lands including the Gwent, Somerset and Gloucestershire Levels beside the Severn Estuary.

The research undertaken by the RATS will form part of the Recapturing the Historic Landscape project which has several other strands. These include field surveys, archaeological investigations and GIS mapping. The following research topics have therefore been carefully chosen to enhance not only these aspects, but also aid the creation of interpretation boards and oral histories.

- The Gwent Levels 100 years ago
- The Gwent Levels 200 years ago
- The impact of the railways on land drainage and landscape
- The tidal flood of 1883

- The fluvial floods of 1947
- The 'Great Storm' of 1703
- Place names and personal names from surveys and maps
- Who lived where on the Gwent Levels in 1881
- The Rumney Bridge incident of 1846
- The improvement of Windmill Reen, 1883

There will also be opportunities for volunteers to extend their own existing research projects. In terms of commitment, we are looking for as much or as little time as you would like to dedicate and don't be daunted – you will be fully supervised and supported throughout the research and writing-up process!

If you want the opportunity to study what is recognised as one of the most outstanding historic landscapes in Wales, then please contact Alison Boyes at [Alison.Boyes@rspb.org.uk](mailto:Alison.Boyes@rspb.org.uk).

Life on the Levels – Stories from the Gwent Levels historian

'Stories from the Levels' is a new oral history project recording the rich heritage and social history of the fascinating Gwent Levels landscape from Chepstow to Cardiff and the people who live here.

The Living Levels Partnership is looking for people to help collect and record the stories, memories and experiences from the communities and people who live in and around the Gwent Levels area. You will play a role in creating a historical body of work and a touring exhibition inspired by the interviews. They will equip you with the right skills to do this through training sessions that will be accessible to all levels of experience. These will include: oral history interviewing skills, reminiscence session work, using digital media, transcribing, video filming and editing techniques; and collating, designing and organising displays and exhibitions.

# **Caerwent Community Centre**

[www.caerwentcommunitycentre.co.uk](http://www.caerwentcommunitycentre.co.uk)

No room for our calendar this month because we want the space to thank those who made it possible for us to obtain a defibrillator which is now in place on the outside wall at the Centre's front door, in case of need. Firstly, we must thank the British Heart Foundation who supplied the defibrillator and a CPR (Call-Push-Rescue) kit at a much subsidised cost, then Chepstow & Caldicot Lions who provided a grant for their purchase, and Caerwent Community Council who paid for the cabinet to house the defibrillator. The machine and CPR kits are of course intended for the benefit of the whole community, and we hope that plenty of people will come forward to receive the simple training that is required. Remember – you may be able to save the life of someone near and dear to you. Details of training will follow soon.

Our photograph shows the President of the Lions handing over the defibrillator to us, watched by other members of the Lions, the Community Council and our committee.
