## Caerwent Playing Fields Association January 2019

It's the start of a new year and we hope that you all had a fun filled Christmas break.

The village hall has been buzzing most of December with events and parties!

The Christmas shopping evening was another success we had 20 local stalls, tombola, raffle and we got the start of the festivities off to a great start with everyone enjoying a few hours retail therapy!

Following on from that was the over 60s festive high tea, there was 32 people who attended and from their feedback they had a fabulous afternoon. We had a delicious range of sweet and savoury treats, crackers, a game of bingo and the amazing Mathern choir to entertain. Thankyou to our "mini" helpers William, Lewis and Megan!

The children's party always proves popular and 65 children attended this year. Mr Chips entertained them with circus skills, balloon modelling and music whilst Sarah's tattoos gave the children sparkly, glittery face paints and tattoos!

There was a surprise visit from Santa and the children enjoyed requesting this years presents and promising to be good!!

With a quiet couple of months through January and February the committee can recharge the batteries ready for car boot season which weather depending will kick off in April.

**Also, a big thank you to Peter Edwards and Mathern Choir for your ongoing support.**

**As always a big Thankyou to the committee who volunteer their time to organise and man the events to raise money to improve and maintain the hall and to our continued supporters.**

## Welcome to 2019

### Xmas fun for all the teams – not so much football!

December was the usual hectic mixture of parties, mince pies and presents for us – but unfortunately not much in the way of football with game cancelled every week, and our U10 Centurions not getting a game at all.

Our Christmas party for all our mini players (up to u11) was a tremendous success with over 100 players attending with their families. Although a bit of an assault on the senses, it was a great atmosphere in the hall and although a lot of work is great fun and well worth the effort. Thanks as always to Karen Dally and Lynsey Kimber for organising pretty much everything – without them we really would be lost. Thanks also to Mark Smith who organised our gifts to the players this year, the baselayers with CAERWENT branding look very smart and will be much needed in January and February.

Our u12s are a little big for hanging around for pass the parcel and a visit from the big man, so they had a team bonding trip to the Hollywood bowl the week before – there is never a lack of competition amongst this lot so it was great fun to get a few parents involved as well.

On the night of our party the u12s enjoyed the whole of the Caldicot 3G and played a friendly with our neighbours at Caldicot Castle FC – with so many of both sides attending the same school it was a great opportunity to play an 11 a-side game under the lights with a lot of laughs and fun.

## SEE US ON THE TELLY!

We are delighted to have been invited to provide a guard of honour as the teams take the field in this 3<sup>rd</sup> round FA Cup tie

In each of the past three seasons one of our highlights has been the opportunity to attend a game at Newport County. Due to the popularity of this scheme run by the County in the Community team, this year we thought we had missed out!

But we were delighted to get a call just before the Christmas holidays to attend and give 50 of our players the chance to get on the pitch with the players.

The game has been selected by the BBC for Sunday teatime viewing (4.30pm kick off) – so keep your eye out for some of the friendliest faces you will see!

## Caerwent Community Council

### Chairman's Report December 2018

Welcome to 2019 and I hope you all had a wonderful Christmas and New Year

At our pre-Christmas meeting in December, discussions around our proposed renovations to the cenotaph were discussed. As part of our plans new stone slabs are to be laid and the whole monument given a clean and the lettering re painted. In addition, before the new slabs are laid we intend to bury two, time capsules which will be filled by Rogiet and Shirenewton schools to commemorate the ending of WW1. The monument is a listed structure and all permissions to undertake this work have been sought as well as a lengthy tendering process from experienced stone masons regarding the cleaning process.

It was decided that we would gauge the community's opinion regarding the possible removal of the railings which surround the cenotaph during this restoration. Would you prefer the railings to stay or would you like them removed? We have been told that in years passed the railings were installed to prevent children, climbing and playing on the monument. Is this likely to be a problem in 2019. We had differing views on the Council so if you have any strong feelings regarding this question please let us know by emailing the clerk with your views.

Over the Christmas period we had a number of events taking place. The Playing Fields committee put on the Over 60's Christmas Party and the Children's Christmas Party, The Baptist Chapel arranged the Christmas Carols by Candlelight service and the Church organised the Christmas Day Lunch at the Village Hall.

During the run up to Christmas we also had the Caerwent Living Window Advent event as well as a special visit from Santa himself on December 14<sup>th</sup>. For a small village we certainly have lots going on which wouldn't be possible if it wasn't for the generosity of residents who give their time so freely to provide these events. On behalf of the Community Council can I express a huge Thank You to those volunteers who organise and deliver these events, which we are very happy to support.

Following two complaints from residents regarding the safety of trees planted on the Playing Fields the Community Council engaged tree experts to undertake a survey which was reported back at the December meeting. The survey conclusions were that none of the trees needed felling or pruning and that only a small amount of remedial work (removal of nails) was needed on one of the trees. One tree is to be monitored when in full leaf to ensure the assessment is correct but an advisory reinspection in 18 months was recommended. The issues relating to the size of tree are not ones that the County Council would consider as reasonable to carry out pruning. Trees provide significant public benefit and they would not commit public resources to deliver work for private benefit. More details on the County Councils approach can be found in their tree policy.

<https://www.monmouthshire.gov.uk/app/uploads/2018/06/Tree-Policy-English.pdf>

Following a social media survey by Councillor Harris, we will be looking at trying to set up a local litter picking group. We are liaising with Keep Wales Tidy for advice and guidance.

Many of you may have made New Year's resolutions. I hope that those of you who did have not already broken them by the time you read this newsletter.

As we progress through our lives we often make decisions which affect our lifestyle. Do we get married, have children, take this job or opportunity? Should we live here or move somewhere else, and with all of those there can be agonising debates about the ultimate decisions that we make. Sometimes we find that in weighing up such matters we are forced to make compromises –not everything that we want to achieve can happen in the way that we would like. Whatever one's personal views might be about 'Brexit' there has been much evidence in recent weeks and probably in those ahead of us that compromise is the only way forward.

In the fast lifestyles that many live these days we are frequently forced to make compromises to cram in all that we want/need to do. I remember when I was young my mother telling me more than once that she could only be in one place at a time, and for parents who find themselves as unpaid taxis this notion often becomes stretched to ensure that our children are where they should be and that maybe we can squeeze in that little task for ourselves in between.

Being a Christian is one of the things that often slips off the radar when we are rushing about our daily business and perhaps more so in the hectic preparations that we embarked upon in the run into Christmas. But being a Christian is not just a Sunday thing where we pop along to church for an hour or so and that is job done, box ticked, till next week. Being a Christian is a real lifestyle choice. We live our faith – or should do- every day of our lives. It requires a real adjustment to many aspects of our life but like a healthy lifestyle the benefits are fantastic once we commit. The Christian lifestyle is a way of living, following the example of Jesus Christ, in which we are there for others at times when they need a friendly face, a little practical support, someone to just hug or even to offload anger towards. Someone to visit the sick or housebound, welcome the stranger.

Jesus has, over many years, been referred to as the light of

the world and the giving of Christingles and the lighting of candles in our churches have been synonymous with Christmas celebrations. The difference between Jesus as the bright light shining out and the lights that we will be taking down from our trees - if we haven't done so already – is that Jesus can't and won't be packed away out of sight for another 11 months.

For the practising Christian the light that Jesus brought into the world is one that cannot be packed away or extinguished. It burns on in our lives and through us as examples of those doing God's work in his world. As we read in one of the letters written to the early Christians "We are ambassadors for Christ"

The New Year will have started by now and with it an opportunity to re-think what it is that our lives are actually about. What is important to us and our communities? Let us all try to show, not just by what we say or even do, but by the whole way we live our lives, that Jesus still is the light of the world and is shining out across these communities of Caerwent, St. Brides and Llanfair in 2019 and beyond.

With every good wish for a happy and peaceful New Year.

Blessings Parish Priest

The segment below is part of the Caerwent Scrapbook and relates to the Old Manor house in Crick which is currently the home of the Archery Centre. It was written by G.O Evans and goes into a great deal of detail regarding the families recorded (Not all recorded in this article) as having run the estate of Crick.

## Crick Manor Farm

*The old manor house stands parallel to the Newport – Chepstow road at the foot of Kilkrow Hill on the Northern side. The more modern building adjoins the older building on the eastern side of the latter but at right angles to the road. It is said that the former stands on what was once the village green (1700).*

*The Manor was held by the Lords of Striguil or Chepstow at half a knight's fee. The earliest Lords of Crick were the Denefords. A Sir William de Deneford held the manor of Gilbert Marshal I 1240, and was succeeded by a son of the same name. A third Sir William de Deneford was living in 1321. A Robert & a John de Deneford were living in 1365. It is thought that the male line ended with these two latter, and that the estate went into the family of the De la More, or Demora of Porskewett. Sir John de la More was lord of Crick in 1399; he was son of Roger, son of Richard, son of Robert de Mora who was living in 1297, and who married Avisa(?), daughter of one of the Sir William de Denefords.*

*The story of King Charles 1 stopping at Crick and afterwards crossing the Severn is not strictly true. An extract from the Iter Carolinum written by the King's personal attendant and augmented by a Royalist officer, one names Symonds, is given below.*

*"The King arrived in Raglan on 3<sup>rd</sup> July 1645, with the intention of crossing the Severn on the 8<sup>th</sup>. Due to news received he did not carry out these intentions. On 16<sup>th</sup> July he went to Tredegar and Cardiff, while on Tuesday 22<sup>nd</sup> July we went back to Mr More's house at Crick, attended by the Duke of Richmond, and Earls of Lindsay, Lichfield and Asyley. After a council of war at which he was joined by Prince Rupert of Bristol, His Majesty returned to Raglan. On the 24<sup>th</sup> July he again returned to Crick with the intention of proceeding to Bristol, but on learning that Bridgewater had fallen by Parliamentary Forces, he went to Newport. Some of his party did however cross to Bristol"*

## Williams and Merrick

Our deepest condolence's to the families and friends of Mr Fred Williams and

Mr Keith Merrick who both sadly passes away during the festivity period.

Our thoughts are with you all at this saddest of times.

## A GIFT FOR YOU

Christmas has been. Only 365 days to go until the next one. Who didn't enjoy opening gifts this Christmas? Imagine handing someone a present and hearing them respond with something like, "Oh no thanks, I don't like gifts". What an unusual and weird response that would be. Being given something can mean a number of things. It means someone likes or loves you. It means they have thought about you. It means they have taken time to think about what to buy you, how much to spend and wrapped it nicely in order to present you with something delightful. It means someone has thought you worthy of a gift. It's a blessing when we receive gifts and we can bless others by giving gifts.

Sometimes, Christmas can be a difficult and lonely time, especially for some of the elderly. Some of us received a lot of gifts, but remember that others in our community had very little or nothing because much of their families aren't around any more. However, there is a gift that every single person can receive this year which will last forever: the gift of Jesus Christ. He is the greatest gift that God could ever give. Without Christ, there is no hope for humanity. We are destined for eternal judgement, destruction, misery and loneliness unless we are shown who Jesus is and what he has done. He has given himself as one who would receive the punishment that we deserve for our sins so that we could be forgiven and be reconciled to God. Through Christ alone we are given eternal life and are blessed with an everlasting relationship with the Creator of the universe.

When Christ was born in Bethlehem, he was given three gifts: gold, frankincense and myrrh. Gold is a precious metal and as such was a very valuable commodity. It was given as a symbol that Jesus was King - not a King, but THE King. Christ was, is and will always be the King of all—the King of Kings. As Philippians chapter 2 verses 9-11 says: "God has highly exalted him and bestowed on him the name that is above every name, so that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father." God became man, to dwell among us and reveal himself as the Saviour of the world.

Frankincense is a gummy sap which comes from the Boswellia tree. It was used in worship as a fragrance offering to God when it was burned (Exodus 30:34). It was given to Jesus as a symbol of holiness and righteousness - that Jesus Christ was to be worshipped. Myrrh is also a resin obtained from Commiphora trees which was used to embalm the dead. It was given to Jesus to show that he would die as a sacrifice for the sins of the world. Hardly a gift one would want to receive. But Jesus willingly came on a mission to be born among humanity, live a perfect, sinless and blameless life, and died in the most humiliating way, absorbing the wrath of the Father to set us free.

Therefore, Jesus is the free gift of God to the world, but this gift is not for everyone. It's only for those who believe, trust and follow the Lord Jesus Christ by faith. How can I bless someone with a gift if they refuse to receive it? Likewise, how can God bless us with Christ if we refuse him? He has called the world to repentance (to turn from their sin for forgiveness) and to faith (to follow the Lord forever).

There is an overwhelming amount of evidence for the existence of God and for the death and resurrection of Christ. If you're interested in finding out more about Christianity, on **Thursday, January the 10th at 7pm** we are running a **free** weekly course called 'Christianity Explored'. This is a non-intrusive meeting where we will investigate Christianity on a very basic level. It will be a safe and friendly environment where questions can be asked and answered without judgement. You might be an atheist, adhere to another religion, or just skeptical of Christianity - it doesn't matter. Everyone is welcome! No one will be asked to read or to pray or to say anything - you can just come and observe. There will be some refreshments and 'light bites' after each session. It might be helpful if you let us know whether you're planning on coming, but only because it would help give us an idea of how many people we should cater for. But if you decide last minute you'd like to attend, then just turn up. If you want to know more about 'Christianity Explored' you can visit the website [christianityexplored.org](http://christianityexplored.org)

## HARVEST FESTIVAL

Reception and Year 3 entertained us with a "Rock 'n' Roll" Harvest Festival this year and we were joined by Rev Waters who led the prayers. Thank you to everyone who sent in groceries for our Harvest Tables ... they were all donated to the Chepstow Food Bank.

## CHILDREN IN NEED

The children enjoyed coming to school dressed in Union Jack colours and having a "Peace Tea" street party, kindly funded by Shirenewton Community Council. They made their own sandwiches and Victoria sponges and our pupil committee, the Community Ambassadors, invited the members of our Young at Heart club. A few of our Y5 and Y6 pupils also enjoyed performing a Hedd Wyn play, written and directed by Emlyn Powell, at Caerwent Church on Armistice Day.

## FORTHCOMING EVENTS

Please join us at our:

**PTA Christmas Fayre** on Saturday 8th December 11am to 2pm

## FLOWERS FOR THE FALLEN

We made poppies out of recycled plastic bottles and sold them to be planted in a poppy field, raising £218.37 for Help for Heroes.

## 'CROESO' COMPETITION

As part of our work towards a Language Charter award called Cymraeg Campus - our Criw Cymraeg pupil committee organised a design a welcome to our school poster competition. Foundation Phase winners were Fenton and Jalal and the KS2 winner was Joshua. The runners up were Jasmine, Harry, Max, Katie, James, Evie, Seren, Lauren & Milo ... bendigedig blant!

## CHILDREN IN NEED

The School Council organised some fun activities for Children in Need including a Pudsey Bear raffle, a drawing & model making competition and sold hot chocolate & a biscuit at playtime. We raised a credible £367.60 for this good cause; thank you for all your support!

## YSGOL GYNRADD ROGIEt PRIMARY SCHOOL

# December/Rhagfyr 2018

Each year we have so many different activities within school that we take part in, over and above our curriculum lessons. Many of these focus on supporting charities and also raising our pupils' awareness of safety and citizenship. This term has been no exception! Following our super collection for Caldicot Foodbank at Harvest time, we decided to support Children in Need and take part in the BBC Countryfile Ramble! We had a wonderful morning as the whole school walked over to and around Rogiet Countryside Park together. Our thanks to all who donated to this important cause and raised approx. £200. We have also been reminding the children about Road Safety and have taken part in a 'Be Bright, Be Safe' Campaign! The children were challenged to wear their brightest clothes to school. They didn't disappoint! We have also started our Christmas activities by performing for members of our local community at the Methodist Church Christmas 'Munchies'!

We'd like to take this opportunity to wish you all a very Merry Christmas and a Happy New Year! 'Nadolig Llawen a Blwyddyn Newydd Dda!'

### Rogiet Dedication of WWI Memorial Mosaic

On Sunday 11<sup>th</sup> November, Rogiet Community Council organised a service to dedicate their recently installed WW1 memorial mosaic. The pupils at our school had been asked to draw a picture that would be a suitable tribute. The winning design was drawn by Teya Andrews (Year 6) who also read at the service. It was a very well attended service and it was particularly lovely to hear Caldicot Male Voice Choir perform a beautiful piece for all those in attendance.

### Caerwent Church Remembrance Service

In the evening of Sunday 11<sup>th</sup> November, members of our school choir performed, alongside pupils from Shirenewton Primary School, a moving musical written and conducted by Mr. Emlyn Powell. The musical was based on the story of 'Hedd Wen' a poet who tragically lost his life in WW1 before being announced as the Eisteddfod Bard. It was lovely to have the opportunity to perform such a beautiful piece of music and to be accompanied by musicians from Gwent Music on such an occasion.

We have now received the defibrillator machine from British Heart Foundation, and we have ordered a weatherproof cabinet, so that the defib. can be attached to the outside wall adjacent to the front door of the Centre. Details of training sessions will be published as soon as possible.

Our committee have worked hard during the last year to keep the Centre running successfully. The Centre is ideal for children's sports parties, with plenty of room for bouncy castles. We have crash mats available for such events.

**Please check the Calendar on our website for availability and charges.**

**I would just like to wish everyone a Happy and Peaceful 2019 from all at the Community Centre.**
